White Ribbons Against Pornography (WRAP) - A National CDA Project

The National White Ribbon Against Pornography (WRAP) Week brings together hundreds of national, state and local groups, along with driven concerned citizens in a massive effort to educate the public on the harms from pornography and the many resources available to aid those affected. Catholic Daughters will be handing out ribbons and prayer cards on Catholic Daughter Sunday after each Mass at both parishes. *We ask you to join us in prayer for an end to ALL forms of sexual exploitation.*

Pornography is overwhelming our culture and families. It is so popular that it generates more gross revenue than all major sports combined. The harm caused by pornography is devastating and far reaching. But there is hope! Please visit www.sf catholic.org/respectlife for many resources available.
