In the Catholic faith, we recognize certain holy men and women as saints. These saints are people who have died, but who led holy and admirable lives while on earth – often in the midst of great trials or suffering. They are excellent role models for us in how to lead faithful lives in relationship with Christ! We don't worship Saints, we ask them to pray for us! They are already in heaven, so they have a special "in" with God!

At Confirmation, a particular saint is chosen as a patron – someone who is a role model and who you can ask to pray for you! Patron Saints are lifetime companions.

*Be Sealed with the Gift of the Holy Spirit
Congratulations on your Confirmation!*
