† Preparing ourselves (or our loved ones) for the end of life can be overwhelming, even scary. Yet, as Christians, we live in great hope of the reality of God's promise. Death is not the end. Join Nicole Fuhrer and Fr. Ken as they offer a comprehensive *End of Life Planning* workshop from a Catholic perspective. This workshop includes helpful information to archive family history, prepare and document important paperwork, plan your funeral and discern your options for sharing your earthly gifts.

† No matter what stage of life you are in, one thing is certain; one day we will all leave this earthly life, with the hope of an eternal reward with our loving and merciful God. During the month of November, as a church family we honor and pray for those who have gone before us. It is also a great time to consider what end of life plans we need to make for ourselves. One of the last and greatest gifts we can give our family is to lift the burden and have a plan in place.

† Whether you need to review your plan, only have part of your plans made, or don't know where to start; this free workshop is for everyone in any stage of life, and we look forward to accompanying you during this important process.

† Private appointments are available by request. 605-999-9127
